

UCSF Liver Center Immunology Core
PROPOSED Price List (est. Jan 2017)

The Immunology Core currently operates as a consortium, with users paying annual fees based on prorated instrument use. The fees for instrument use translate approximately into the hourly rates below. A formal recharge is under development and will likely take effect in January 2017.

Type of Service	Unit	Liver Center Member Rate*	UCSF Non-Member Rate**
LSR II flow cytometer (unassisted)	1 hour	\$15.00	\$24.00
Quantstudio6 QPCR (unassisted)	1 hour	\$10.00	\$18.00
Specialist time (hands-on assistance)	1 hour	\$45.00	\$90.00

*Member rate applies to Liver Center members at UCSF and other University of California campuses

**Non-Member rate applies to UCSF clients only; other academic or corporate clients please contact the Liver Center for pricing
