

UPCOMING LIVER CENTER SEMINAR

WEDNESDAY, March 20, 2024

9:00 - 10:00 AM

N-225

[Jasmohan Bajaj, MD](#)

Professor, Department of Internal Medicine
Virginia Commonwealth University

Gut microbiota in Cirrhosis

Dr. Bajaj is a Professor in the Department of Internal Medicine's Division of Gastroenterology, Hepatology and Nutrition at Virginia Commonwealth University. His research focuses on the clinical and translational investigation of the gut-liver-brain axis in patients with chronic liver disease and cirrhosis.

This hybrid seminar can be attended in person or via Zoom. In-person attendance is encouraged to show appreciation of and promote engagement with the speaker.

Host: Jennifer Lai, MD, MBA, PNS
